

At the tender stage, many companies are asked for their Environmental Policy, their Corporate Social Responsibility Policy, their Anti-Bribery Policy or other similar policies. Most companies have their own responsible attitudes to such issues, but have nothing that they can supply to meet all such requests.

SSS provide such policies which can both address the above requirement and be used to positively drive such aspects within the company.

Benefits

As a result of this service, companies will have policies :

- To meet the needs of tender requirement
- Which can be used to drive improvements within the company

Policies provided

SSS can provide the following policies:

- Quality Policy
- Environmental Policy
- Health and Safety Policy
- FSC/PEFC Policy
- Corporate Social Responsibility Policy
- Anti-Bribery Policy
- Business Continuity Policy (commonly call Disaster Recovery)
- Information Security Policy

Other services

In addition to the above policies, SSS can provide systems to enable these policies to be put into place and can provide a computerised action management system to simplify the management of such systems.
